USAG BAUMHOLDER SCHOOL LIAISON SERVICES

Welcome to U.S. Army Garrison, Baumholder, Germany. We're here to help you and your family with information, resources, programs and activities through Child, Youth and School (CYS) Services.

We understand that it's difficult to move to new locations, there are so many questions and we'd like to help you find answers for your children and teens before, during and after your move.

The Garrison School Liaison Officer (SL0) is here to help you whether you're moving to Baumholder or leaving for another destination throughout the world.

If you have questions concerning your child's education, we are here to help and guide you. There are Department of Defense Dependents Schools (DoDDS) (elementary, middle and high school) on the installation (grades K-12), including a SureStart program for eligible four year olds that will be attending kindergarten the following school year.
